Camping Facts

Campground Opens the Saturday before the event starts

Campers pay admission and tickets from the day they enter to end of event. Unused tickets and camping will be refunded upon check out.

Check out to receive a refund for that day's ticket must be completed by 11 AM. Camper will return their wristbands and camper pass when checking out.

Check-In is 8 AM to 8 PM.

Camper arriving after 8 PM will be staged on the camper entrance road overnight.

Space Size

All Camping space measure 20' wide. Lengths vary from 25' to 45'. One non-camping vehicle may be parked in the camping area, but it must fit within your space.

Additional Vehicles/Guest Parking

One vehicle pass is included in your RV space purchase. Please use this pass for in and out privileges. You must also have your wristbands on to enter the event grounds at all times.

Visitors

If you are arranging for friends or family to visit you at your campsite please tell them they must park in the Main AUTO parking lot and obtain ticketed entry to the event grounds. No ticketed entry can be purchased in the evening hours, so please make arrangements to meet you friends and family off site at one of our great local establishments.

Re-Entry

Vehicles may exit and re-enter campgrounds. A campground vehicle pass and event wristbands are required for re-entry.

RV Services

RV wastewater dumping is available with the porta-pottie service company on site. To make arrangements for a pump out, fill out a form at camper registration. You will be charged by the service company at the time of service.

Garbage

Each camper will receive a garbage bag at registration. Please tie bags closed and deposit near a camping area garbage container for pick up. Extra bags will be available to guests at the registration booth. All beverage cans and bottles are recyclable. Please dispose of these in a recycle container. There are many located along the food court.
